PREFACE

THE publication of this Record of the War Services rendered by the Solicitors and their Articled Clerks in the years 1914 *to* 1919 *is the fulfilment of one of the three objects of the Solicitors' War Memorial Fund. Although every effort has been made to render it complete and accurate it is known that there are many omissions which it has not been possible to supply and probably there are errors which have been overlooked.*

These imperfections it is hoped will be forgiven in the knowledge of the difficulties of the task and the belief that it has been gladly and lovingly discharged to the best of their ability by those to whom it was entrusted.

R · A · PINSENT,
Chairman of the Memorial Trustees.

4*th August*, 1920.

"These are they who for their Country and Freedom's sake jeoparded their lives unto the Death. Therefore they shall be mine, saith the Lord of Hosts, in that day when I make up my jewels."
